

West Anchorage High School Volleyball Booster Club

2140 Castner Lane, Anchorage, Alaska, 99517

EIN 20-3703507

June 6, 2009

Dear Sir or Madame:

The annual West Anchorage High School volleyball Spiketacular is the oldest high school volleyball tournament in Alaska outside of the Regional and State Championship Tournaments. The Spiketacular generally marks the midpoint of the season and brings together players and teams from across the state.

The West Anchorage High School Volleyball Booster Club is seeking your organization's support for the 2009 Spiketacular, scheduled every year in late September. In addition to being great competition and fun, the Spiketacular provides the West Anchorage High School Volleyball Program with its single source of revenue through fund raising and sponsorships. This income is critical to the success of the program. In past years, event proceeds have generated roughly half or more of the volleyball program's total annual budget, money that provides uniforms, nets, balls and other necessary equipment. We have been able to purchase new equipment thanks to support from past years. This year we are fund raising to allow the girls to travel out of state.

Won't you please take a moment to consider assisting the coaches, parents and the West Anchorage High School Athletic Department in our effort to make the 2009 Spiketacular Tournament a success? Your contribution not only helps the volleyball program at West Anchorage High, but also helps to keep visiting schools' participation fees as low as possible. You are, in effect, helping to support high school volleyball statewide.

Attached is a catalog of Spiketacular program packages available based upon sponsorship level. The girls, parents and coaches thank you so much for your time and consideration of support for this worthy event.

Sincerely,

Christine Fisher, Treasurer

Fa'aana Tosi, Head Coach

Erica Johnson, Assistant Head Coach
